

**FIRST  
TECH  
CHALLENGE**

**ROVER  
RUCKUS**

Presented By **Qualcomm**

## **CHALLENGE RELEASE**

The game release is only a few weeks away and many mysteries will be revealed. Will the rovers be required to climb that large grey mountain? Is there something on the field that will give you a flat tire? What forces drove that rover into a life of crime stealing jewels? All will be revealed at the Rover Ruckus Reveal!

## **SEASON KICK-OFF**

The game release happened a few weeks ago and while the challenge materials are available, there may still be some things to discover. Whether your team just launched or you are going in circles around the planets, this season kick-off event is for you. Trained experts will be available to help you decode the riddles of the rules, now with 30% fewer words. Get style pointers from our cosmic consultants to put that twinkle in your stars. It's time to kick this season off INTO ORBIT!
